

CUMC Preschool offers a developmentally appropriate curriculum and encourages creative exploration and play. Using the A Beka curriculum, our activities include Chapel time each week, art, music, Bible stories and memory verses. We include fine motor practice, language based activities, active play, sensory experiences, and dramatic play.

Special events round out our program, such as classroom parties, visits from the Fire department and other community leaders. A parent's tea party will be held in the spring and an end of the year program along with a four year old graduation ceremony.

CUMC Preschool follows Religious Exempt guidelines set by the Department of Social Services and does not discriminate on the basis of race, color, national origin or religion.
