

Happy November!

Wow, this year is just flying by. We had such a great month in preschool. We learned about Community helpers and Pumpkins! We had a great visit from firefighters Kim and George from the Fairfax Fire Department and got to spend some time on a firetruck from the Brandy Station Fire Department. We also loved getting messy and playing with pumpkin guts too! Finally, to top off our month, we were so excited and had a blast at our fall harvest party!

Everyone is getting so good at recognizing their name and holding their writing utensils the correct way. I can't wait to continue to improve these skills. Our Themes this month are "Using My Senses" and "Giving Thanks" I am so excited to start preparing for the holidays! Our fundamentals are: Letters L, E, and G, Number 4, colors Brown and Orange, Square, and A-B-B pattern.

I am so excited keep learning and having a great time with your children. I hope you all have a wonderful November!
