

Hoppy Easter!

From Our
Franky Frog
3 Year Old Class

April 1, 2021

Dear Parents,

Welcome Spring! It sure is wonderful to see everything blooming and to have some warmer weather. This kids love getting outside more for recess.

March has been a great month. The kids have adapted very well to the new changes and I am truly enjoying being their teacher. We learned the Letters Bb, Cc and Ww. We celebrated St. Patrick's day and they thoroughly enjoyed decorating the Leprechaun trap! We caught him while we were at recess, he really made a mess in our classroom! It was so nice of him to leave us gold chocolate coins and sunglasses! During this past week, we have learned some of our favorite Nursery Rhymes.

This month our themes are "A Walk in the Rainforest" and "In My Garden." We will focus on Letters Rr, Qq, and Uu, Number 9, Color Purple, Oval Shape, ABCC Pattern, and Character Development - Attentiveness. Please be sure to check out all of our important upcoming dates. This last month and a half will move along quickly and we will be very busy. Our Easter Celebration will be Friday, April 2. We will be making our own Easter baskets and ask that everyone brings in a dozen, filled eggs for our hunt. I hope you all have a wonderful Easter holiday and a restful spring break.

Warmly,

Cierra Banks
