TEACHER APPRECIATION WEEK ~ MAY 3 - 7

SNACK

Parents - We believe we have enough snack to last us until the end of the school year. Therefore, I will not be doing a snack calendar for this month. If we start to run low, I will let you know!

HONORING OUR MOTHERS

Since we are sadly not able to have our Mother's Day Tea this year. We would still like to honor our Moms! On May 7, we will be honoring our Moms during school. If you could please bring in a picture of your child's Mom or Mother Figure for Show & Tell, that would be great! They will be so excited to share with the class how much they love their Mommy!

IN SCHOOL FIELD TRIP

We will have an in school field trip with Killian's Dad on Wednesday, May 19. As we end our unit on All Creatures Great and Small, Mr. Varela will come and share with us some of the reptiles that he has and teach us about all of the exciting things that reptiles can do! This will be an exciting time!

GRADUATION RECORDING

We will be recording our Graduation Program on Wednesday, **May 5**. ***Please have your child wear their SCHOOL TSHIRT that day!*** This program will be put on flash drives for you and will also be published on YouTube.

GRADUATION WALK (BOTH CLASSES)

After some thought and a couple of conversations, we have decided we still want to honor our students in a short ceremony on the last day of school. On **Friday, May 21 at Noon**, following the school play date, we will have a GRADUATION WALK outside on the lawn between the parking lot and the church, next to the playground. This will be a short program; however, still allowing our students to be recognized and having a ceremonial promotion walk. Parents and families are invited to attend.

SCHOOL PLAY DATE / PICNIC

We will have a School Play Date on our Playground on the last day of school! This will be a fun filled day of outdoor games and activities, during our school day! Please have your child ***wear their hand print t-shirts*** to school that day! We will also have a picnic during snack time with hotdogs, chips, fruit, popsicles and drinks! If anyone is interested in helping to provide any of the picnic foods, please let me know!

EXTENDED CARE, LAST DAY OF SCHOOL

We will continue to offer Extended Care on the last day of school, May 21. Please let me know if you are planning to take your child after the Graduation Walk or if you plan to use Extended Care that afternoon. Thank You!

WELCOME ~
ALY WYNHAM

I am very excited to share that we have offered the Director position to a very lovely person that will be a great asset to this program, Alyson Wynham!

Aly comes with nine years of kindergarten teaching experience with Culpeper Schools at AG Richardson Elementary. After leaving teaching, Aly opened her own business, Homeconomics, located on Davis Street. Aly has maintained and sustained this business for six years. She plans to continue managing her business with the help of her staff while taking on this new position. Aly has a strong love for Christ and is mature in her faith. She currently attends Grace Church in Fredericksburg.

Aly plans to begin her role as our new director on June 1. In her email to me after she had accepted the position, she expressed that she is “truly excited about being back “in school” again and honored to have been selected.” She said, as she is preparing her heart to minister to the staff, children and families at Culpeper UMC, this Bible verse came to her mind ~ “Whatever you do, do it enthusiastically, as something done for the Lord and not for men, knowing that you will receive the reward of an inheritance from the Lord. You serve the Lord Christ.” ~ Colossians 3:23-24

Aly will attend our Graduation Walk on May 21, for everyone to meet her and welcome her to our Culpeper UMC Preschool Family!
