

November 2020 CUMC Preschool What's Happening

Happenings during the month of November!

School Phone Numbers

With ongoing COVID restrictions, our church office staff is not always either in or available due to lower staffing numbers. Therefore, in order to help our parents reach the preschool when needed, I am giving you our direct phone numbers in case the phone is not being answered upstairs. So going forward, please feel free to continue calling the church, if that is easier, but here are the direct numbers to our extensions.

Fall Food Drive

Now through November 30, our preschool classes will be participating in a missions project while doing a math unit on counting items to 100! We will be collecting canned food items for families in need. When our school, as a whole, reaches 100 canned items, they will receive an ice cream party! Our students will also be learning the importance of giving, not always receiving during the holiday season! Please help your child and our school reach 100 cans by November 30! If everyone brings in 7 canned items, we will get there! Baskets are located in the preschool hall!

Culpeper Toy Chest Drop Off Location

Culpeper Toy Chest will be collecting TOYS for children in need this Christmas. CUMC Preschool will be a drop off location. We will be collecting NEW TOYS, of any kind, from the first of November until December 14. As we learn the importance of giving during this season, please consider helping a child in our community this Christmas. This could be a fun activity for your family and a great conversation!

November 23 - Thanksgiving Feast

Monday, November 23, we will have our Thanksgiving Feast! We will be dressing up as Pilgrims and Indians, remembering to be Thankful & enjoying CUMC Preschool's twist on a Thanksgiving Meal! More info to come!
