

CUMC Preschool offers a developmentally appropriate curriculum and encourages creative exploration and play. Using both the A Beka and Learning Box Preschool curriculums, our activities include Chapel time each week, art, music, Bible stories and memory verses. We include fine motor practice, language based activities, active play, sensory experiences, and dramatic play.

Special events round out our program. We have classroom parties, visits from our community leaders, such as the Fire Department, a Police Officer and the Dentist. We go on field trips to nearby places centering around our themes of study. A Mommy and Me Tea party and Donuts with Dad are held in the spring. We have an end of the year program along with our four year old graduation ceremony during the last week of school.

CUMC Preschool follows Religious Exempt guidelines set by the Department of Social Services and does not discriminate on the basis of race, color, national origin or religion.
