

January 2021 CUMC Preschool What's Happening

PROGRESS REPORTS / PARENT / TEACHER CONFERENCES

During the last week of January, progress reports will be coming home in order for you to see the strides your child has made thus far in our school year. Also, Miss Lohr and Mrs. Galliot will set aside some times for parents to come in and discuss their child's progress. An email will go out later this month with dates and times available for conferences.

2020 PRESCHOOL TUITION SUMMARIES FOR TAX PURPOSES

I will be working on each of your tuition summaries for 2020 in order for you to file with your income taxes, as tuition for a private religious school is a deduction on your taxes. I will plan to have these to you no later than by the end of the month. If you should need them by a specific date, please let me know and I will get them to you sooner.

DRESS ACCORDINGLY TO WEATHER / SPARE CLOTHING

I just wanted to remind everyone to please remember to bring warm coats, hats, gloves, etc. As we go into the winter months, if the temperature is suitable we will go outside for some fresh air - even if it is only for a couple of minutes. Please make sure that all coats, hats, gloves, scarves, etc are labeled somehow with your child's name.

Also, as we are located in the basement of the church - it is sometimes chilly in our classroom, especially the 3's classroom. Please dress your child either in layers or a little on the warm side.

If you have not yet sent in a winter spare outfit for your child, please do so - in case of an accident. I wouldn't want to send them home in shorts and a tank top! However, we will just keep the summer clothes for the spring unless you would like them back now! And we will just send all clothes home at the end of the school year! Please bring the spare outfit in a Ziploc bag labeled with your child's name.
