

# Spring is Coming!

## From Our OZZY OWL 4's Class

March 1, 2021

Hello Preschool families,

Love has been in the air at preschool in February. I've seen students making artwork for their friends and their families and showing kindness in all sorts of ways. Our Fairy Tale theme was a huge success. The kids loved re-enacting all of the stories and also doing projects to go along with the theme. We were happy to welcome Dr. Simpson into the classroom to teach about dental hygiene. The students loved brushing and flossing his model of gigantic teeth.

Our new themes for March are "Teddy Bear Picnic" and "Nursery Rhymes". We will also celebrate the first week of March with Dr. Suess themed activities and projects. Our activities and lessons will focus on our monthly "fun"amentals. The fundamentals for this month will be:

- Letters Bb, Ww, and Cc
- Number concepts for 8 and Counting to 100
- Colors Gray and Brown
- Star Shape -ABBC Pattern
- Character Development Truthfulness

I'm very excited for Spring to arrive soon so we can do more activities outside. I'm looking forward to the students participating with familiar nursery rhymes this month and celebrating St. Patrick's Day on the 17th. Maybe we'll see a Leprechaun or Rainbow. Don't forget to wear something green!

Warmest Wishes,

*Aynsley Lohr*
