How Did We Do?

Please take a moment and let us know how you felt about our preschool program this year - areas we did well, as well as areas you feel may need improvement!

Please be honest, we value and appreciate your views and input as we continually strive to improve our preschool! Thank You!

Please rate each question from 1 to 5. 1 being unsatisfactory and 5 being very satisfied.

Rated 5 - Enjoyed our First Year!

Rated 5 - Overall, the preschool was absolutely incredible. Your passion and commitment continued to impress us everyday.

2.) Your satisfaction with our check in / out procedures.

N/A 1 2 3 4 - 1 5 - 11

COMMENTS:

Rated 5 - The doors were always locked and the staff only released our boys to us or people we gave permission to.

3.) Your satisfaction with the knowledge your child has gained over this school year.

N/A 1 2 3 4 - 2 5 - 11

COMMENTS:

Rated 5 - *Child* showed so much independence as the year went on.

Rated 4 - *Child 1* trived! He went from barely knowing colors to knowing all his shapes and numbers! *Child 2* is *Child 2*! We understand that its challenging to teach a kid who is above the normal. We were impressed with the one on one time everyday and am glad you did what you could. I would recommend sitting with parents before the year to assess what a child knows in the future. But overall great job!

4.) Your satisfaction with how your child was treated by staff.

N/A 1 2 3 4 5 - **12**

COMMENTS:
