

Love Your Neighbor

From Our
Franky Frog
3 Year Old Class

February 1, 2021

Happy February!

We have had such a fun month learning about snow and night and day! We made some fun crafts and some fun sensory snow. We also got to have a big class snowball fight that all the kids absolutely loved. We also had a great time hanging out with our new friend Jax! What a fun addition to our class.

This month our themes are "Love in the Mail" & "What Big Teeth You Have!" Our letters are D, X, and T, Number 7, Color Pink, Heart shape, and A-A-B-C pattern. We will be celebrating Valentines day on February 12th. Everyone is welcome to bring in a valentine treat for their friend, just please include everyone. We have 10 friends in our class. A class list will be included with Mrs. Simpson's What's Happening. We will be sending home a fun family project to make their Valentine's mail boxes. We will also be having a visit from Dr. Simpson on February 26th in celebration of Dental Awareness month. We will be learning all sorts of fun ways to keep our teeth clean!

I hope you all have a wonderful month. As always, please reach out if you have any questions!
