

Happy St. Patrick's Day!

Spring is Coming!

From Our
Franky Frog
3 Year Old Class

March 1, 2021

Dear Parents,

I am so excited to be teaching the Froggy class. I can not wait to get to know the kids more. It's going to be a great rest of the school year.

We will be starting off March with a lot of silliness! We will celebrate Dr. Seuss's Birthday and have a week filled with Wacky Fun! Make sure to check out Mrs. Simpson's What's Happening for all of the Theme Days!

This month our new themes are "Teddy Bear Picnic" and "Nursery Rhyme Time." Fundamentals we will be discussing are: Letter/Sound recognition for Bb, Ww & Cc, Number 8, Color Gray, Star shape, ABBC pattern and Character Development-Truthfulness. On March 17th we will be celebrating St. Patrick's Day. Let's see how many of us can wear some green that day! March 26th, we will be celebrating our Dad's. Since they will not be able to come in for Donuts with Dad, we are asking for everyone to bring in a picture of their dad to share with our class! We will also be doing a special project to honor our Dads.

Please let me know if you have any questions or concerns. These next few months will be getting busy as we get closer to the end of our school year. Please check out Mrs. Simpson's "What's Happening" for all our important dates & times!

Warmly,

Cierra Banks
