

Happy Fall Greetings!

October was filled with such fun activities with the kids, we made Halloween Crafts and learned about Community Helpers! Firefighters Kim and George came and talked with the class about how Firefighters wear their equipment and do their job, how to call 911, and how to stop, drop, & roll! Firefighter Kim put on her fire safety gear for the children to see and touch! The highlight of the day was having the kids climb inside to fire truck brought by Brandy Station Volunteer Fire Department!

New Themes for November will be "Using my Senses" & "Giving Thanks". Our activities and lessons will focus on our monthly "fun"amentals. The fundamentals for this month will be:

Letters: L, E, & G

Number 4 & Counting to 40

Colors: Orange & Brown

Shapes: Square & Cube

ABB Pattern

Sight Words: a/like

During November we will be collecting canned food for those in need. I LOVE doing this with preschool students because we can talk about being grateful for our own blessings, helping others, and counting for math. They can see with their own eyes how a lot of small donations can add up to make a huge difference in helping others.

I'm looking forward to another great month at preschool!

Kindest Regards,

*Aynsley Lohr*
