Welcome Families!

I am so excited to start this year with your kiddos. This month we will be working a lot on our class routine and meeting new friends! We will be meeting our class mascot in the first couple of days. I thought it would be fun to name him together as a class. We will also be learning about our families and fall, along with letters, sounds, numbers, shapes, and colors! I try to make our activities as fun and as memorable as possible. My goal is to make sure that everyone is comfortable and having fun at school. I would love to get a family picture from everyone to hang on our classroom wall. This has always made my kids in the past feel really comfortable.

You can stay informed on what is happening in our class by reading over our monthly calendar, newsletter, snack schedule and Mrs. Simpson's "What's Happening." I am also always available by email for any questions you have throughout our time together. I think it's really important to keep open communication. I can not wait to get to know all of you!

See you soon!
