

Merry Christmas

From Our
Franky Frog
3 Year Old Class

Hello families!

I hope you all have a wonderful Thanksgiving and enjoy this long break with your family. I know this year looks a bit different for everybody, but I know everyone enjoys the extra time with your babies. We had a great time at our Thanksgiving feast here at school. It was so nice to celebrate with your kiddos.

We really enjoyed learning about our five senses and really exploring things around us that we could see, hear, feel, taste, and smell. I think the kids had a ton of fun with all our activities. We also talked about why we celebrate Thanksgiving and ways to be thankful. I love how sweet everyone is when talking about things they are thankful for.

This month we will be learning different nursery rhymes, and talking all about the Christmas season! I love this month so much and can not wait to have fun and continuing to learn with these amazing kids. Our "fun" fundamentals for December are: Letters J, K, & S, Number 5, Colors Gold and Green, Triangle shape, AABB pattern and Character Development-Giving.

Thank you all so much for your can donations! We met our goal so fast and I know the kids are excited for their ice cream party when we return to school.

If you have any questions please feel free to reach out.
