

CUMC Preschool Program

We offer a well-rounded program that fosters spiritual, social, physical, and cognitive growth. All classes take place on the ground level of Culpeper United Methodist Church, across from the Preschool Playground. Your child's safety is important to us and all preschool entrances are installed with security features and cameras.

CUMC Preschool follows Religious Exempt guidelines set by the Department of Social Services and does not discriminate on the basis of race, color, national origin or religion.

Our school staff members are trained in CPR, First Aid, and AED. All staff members have undergone background checks and adhere to all state guidelines for religious exempt schools.

CUMC Preschool provides a Christ-centered, loving and positive school experience where students learn to give and receive God's love through the *My Father's World* Christian Curriculum. In conjunction with the curriculum, students will attend chapel and music classes, check out library books, play on the playground daily, and have many more opportunities for emotional, social, spiritual, and educational growth.

Throughout the year we have several visits from our community members including the fire department, dentist, and garden club.

Rounding out our program are special events such as classroom parties, field trips, a Thanksgiving Feast, a Birthday Party for Jesus, "Donuts with Dads and Dudes" and a tea for mothers and special friends. At the end of the year we will celebrate all of your child's accomplishments at CUMC Preschool's Pre-K graduation ceremony.

All Children must be toilet trained prior to the first day of preschool.

Three-Year-Old Preschool

Our three-year-old preschool class meets on Monday, Wednesday and Friday from 9:00 am-12:00 pm.

Children must be three years old by September 30th of the current school year. Students will be introduced to letters, letter sounds, pre-literacy skills and social development. Along with these skills, preschoolers will learn colors, shapes, name recognition and numbers 1-10.

Four-Year-Old Pre-k

Our four-year-old Pre-K class meets Monday-Friday from 9:00 am-12:00 pm. Students in the Pre-K class learn alphabet recognition and letter sounds. As fine motor skills develop, students will write their name and begin to write letters. In math, Pre-k students will recognize and produce patterns, grasp concepts for numbers 1-20, and review shapes and colors. Through structure and routine, children will develop social, emotional, and behavioral skills that will prepare them for kindergarten and beyond. Children must be four by September 30th of the current school year.
